

Gustavus Library Newsletter

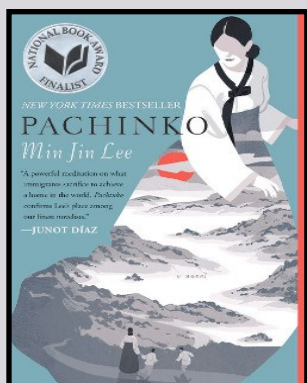

Jen will be moving on from her position as Library Services Director on 3/22. It has been a very fun and rewarding 3 years, and I will sure miss being at the library! Afternoon services (curbside pickups and appointments) will be on hold until a new staff member is hired and trained. There will be more information on the hiring process soon.

We are looking for schedule input. Fill out a survey to share your thoughts on a long-term schedule for the library. Surveys can found on our website, or you can request one by emailing michelle.snowden@gustavus.lib.ak.us. Hard copies are available inside the library and on the pickup shelves by the parking lot. Responses are due by 3/31.

PFD applications are available outside the library on the pickup shelves until 3/31. And finally, a big thank you to all those who volunteered this month! We appreciate you.
